Warranty

Pittcon Industries warrants to its purchaser that all its products will be free of material or manufacturing defects for one (1) year. Any claim brought to the attention of Pittcon Industries by the customer in writing; within one year of substantial completion (i.e. Jan 01, 2009), will be examined.

If the product has failed under the terms of the warranty, it will be replaced or repaired free of charge. Pittcon Industries will not be responsible for installation costs involved in such replacement or repair, consequential or other damages of any nature. This is in lieu of all other warranties expressed or implied and is the sole warranty extended.

The right is hereby reserved to make changes from time to time in styles and construction whenever deemed advisable and to withdraw from sales any item whenever necessary. In presenting these products Pittcon Industries cannot claim to serve in any but an advisory capacity and can undertake no liability. The use of our products should be modified, if necessary, to conform to local conditions and materials employed.

Extended warranties are sometimes available with specific requests.
